A Client of yours:

Clients Address:

With horse:

Kept at:

Has contacted me requesting a consultation to assess and, if appropriate, give osteopathic treatment.

I would be grateful if you could confirm permission to examine and, if appropriate, to treat this horse by signing and returning this by fax, or referring by letter.

I would be happy to discuss this case with you. If you are able to send any details of any relevant history of problems and veterinary care received, I would be very grateful.

I give permission for the above-mentioned horse to be assessed and treated.
